Brown's Concrete products – here for our customers and our community.

Brown's Concrete Products has been providing quality products and serving the needs of our customers for well over a century. Throughout the years, we have had the privilege of working with incredible people and organizations. We have always believed in giving back and supporting communities, charities and organizations and will continue to do so.

At Brown's, we believe in **QUALITY** of product **DESIGN**. The best products provide a solution, have an aesthetic quality and are easy to work with. The **QUALITY** of

PRODUCTION is paramount in providing quality products. Quality ingredients, QA/QC, and regular testing allow us to provide **EXCEPTIONAL VALUE** to our customers. We strive to provide our customers with a high quality product, and excellent **CUSTOMER SERVICE** that results in a memorable **VALUE**.

We look forward to seeing your outdoor space come to life. Feel free to scan the QR codes throughout the catalogue for additional product information.

BROWN'S LIFETIME WARRANTY

Brown's Concrete Products Limited provides a Lifetime Warranty to the original purchaser on the structural integrity of its products used in residential applications. If the material installed on the owner's property, using our recommended guidelines, proves to be defective the product will be replaced without cost. Colour matching and the occurrence of efflorescence cannot be guaranteed. The Warranty does not cover damage resulting from subgrade settlement or movement, contact with chemicals or paint, discolouration due to airborne contamination, staining, oxidation or improper sealing. Please refer to ICPI and/or NCMA for recommended product maintenance programs, winter care solutions and recommended de-icing products. This warranty is not transferable and proof of purchase is required.

Note: Colour swatches are for reference only and may not represent the actual product colour. We recommend that you see your local dealer to view actual sample pieces prior to final colour selection.
